**Animal Assistance League Headquarters

The Animal Assistance League of Orange County would like to take this time to THANK-YOU for your generous support and response during this tough time for Maggie. It is hard to imagine the pain and fear that she has gone through.

With help from you and other caring individuals, Maggie is progressing to the point where she hopefully has a chance to lead a healthy, happy life in a new loving home.

We would like to invite you to join us for a casual get-together with people who share the same concern for the well being of all pets and to meet some of our guests who we care for while they are looking forward to their new homes.
